

Gateway GTO Winery Run by Donna Bowers

It was a fall day on November 2 and Marty does it again! He plans and leads the yearly Fall Wine Run to Montelle Winery. The number of cars was down this year, probably due to the date change based on weather.

Marty and his friend Vicki lead the resilient group of: Bower's, Neal's, Vie's and O'Sullivan's who drove their GTO's. They were joined by the Lewis's in their truck. This group caravanned from Francis Howell Sr High School on Highway 94. The Kiburz's and Schott's met up with the group later at Montelle.

Due to the cool weather, the band, Deuces Wild, was set up in an inside room. While the inside was warm, the weather resistant GTO members chose to sit on a patio attached to the room where the band was set up. As always, the group enjoyed the good food, wine, and the opportunity to visit with friends.

If you could not make it this year, you missed an opportunity to enjoy the fall foliage, and a great Gateway tradition.
