## PREZ SCOOP

Hi Club members and friends,

We were all sorry to hear that John Hunt's job will take him and his national award winning black 70 convertible to the sunny state of Florida. John left some GTO parts with Chris Simmons to be sold with the proceeds to go to the GTO club (see Chris's ads in this issue).

On a happier note, the club picnic was a rousing success, perfect weather, 58 attendees, dozens of GTOs.

How about those MOPAR guys! They were so sure they would lose the drags, that they just called up and forfeited and went to a car show instead.

You may have noticed the relative scarcity of articles in the newsletter. You can be a published author; all you need do is submit an article, story, anecdote, joke, etc. and there is a near 100 % probability of it being included in the hoodcoop.

Good GTOing,

*Vic*

Our Members this year equal 71 with 43 belonging to GTOAA also. Our new members this month are, John Tindall, John Folluo, and Steve Lenk. Welcome!

## **Minutes of the September meeting as recorded by Micki Monnig**

The September meeting of the Gateway GTO Association was held at Berrie's Sub Shop on Dorsett Road on September 7th, 1995. There were 12 members present.

The meeting was called to order by our president Vic Nettle. Vic went on to introduce the officers present: Will Bowers, Treasurer; Chris Simmons, Vice-President; Joyce Nettle, Director of communications; and yours truly, Micki Monnig, Secretary. Vic went on to state that we have seventy-one members with our newest member Steve Lenk. We would also like to welcome new members John Folluo and John Tindall.

Will Bowers took the floor and gave the treasurer's report. We have \$2694.26 after paying for the picnic. He went on to state that we still have enough for the Christmas party.

Vic took the floor again and acknowledged the sign in sheet. Discussion about the Mopar club canceling the drags August 20th.. It was too hot for them??? The picnic drew fifty-eight people. Great food and weather. Everyone had a real good time. Picnic pictures were available for viewing. They turned out real good.

Officers nominations will be in this newsletter. Think about your choices and get these in.

We have our club decals. Joyce passed them out to everyone in attendance. We also have the logo tape in our possession for the jackets. Question as to whether it is compatible with other machines?

Upcoming events: October 8th is the Ford vs. GTO at MAR. October 15th, we are scheduled to race the Corvette club. That is at MAR as well.

Request for any other old business: Mary Doom requested that she be reimbursed for the soda she furnished for the picnic.

New Business: Greentree Festival, Kirkwood City Park, Geyer Road and Adams Avenue. Registration is at 9AM. Call Darrell with any questions. His old car, currently owned by John Folluo, is featured on the dash plaque for this event.

Our events list the Fall Color and Wine run for October 8th. This is in direct conflict with the drags with the Ford club. Should we drop the wine run? Would not be able to reschedule for the following week because of the Corvette races. This will be discussed at the October meeting. We need a chair person if this event is to be. Please be at the next meeting.

John Hunt announced that he is moving to Tampa, Florida. Bye John. We will miss you. Thanks for all of your participation to date.

Chris Simmons stated that John has donated several parts to the club to be sold with the proceeds going to the club. Thanks John!

Request for any other business. We had the 50/50 drawing and I won (Micki). Special thanks to the guy at Berrie's that drew my number. Motion to adjourn was made at 7:21PM and seconded.

## Highlights of the 1995 Annual Gateway Picnic

Sunday August 27th., 1995

by Micki Monnig

Vic started off with a thank you to Rhonda Davis for baking the beautiful and delicious GTO cake and Shirley Bezzole for arranging everything with the caterer. Everything was excellent!

Joyce then took the floor and stated that the club photo albums were available for everyone to browse through. She went on to say that if anyone has pictures from past events they would like to display in the albums, please get them to Joyce.

Darrell seized this as an opportunity to inject that he is putting an order together for "OMIGODITGOES" tee shirts that everyone is so hot for lately. All joking aside, if we get a really big order together we can save a lot of money.
