

THE HOOD SCOOP

January 2023

Gateway GTO Annual Pizza Party

By Chris Winslow

Gateway GTO
Association

Our first event of 2023 was our annual Gateway GTO Pizza Party on Sunday, January 22nd.

This was our second year for the event at our new venue at Crusoe's in South County. We were in the same room as last year, but we had a larger crowd in 2023 compared to 2022, so the room was a little tight. This was despite the fact that we were competing with NFL playoff football. The restaurant was also a somewhat shorthanded as some staff had called in sick, so that slowed things down a bit as compared to last year.

The good news was that the pizza was still excellent (if a bit slow coming out) and everyone had a good time. It gave us all a chance to catch up and we got to see some members who normally cannot make it to our regular meetings.

Thanks to everyone for coming!

The President's Scoop

By Chris Winslow

I hope everyone's new year is getting off to a great start.

2023 is going to be a busy year. In addition to all of our usual activities like the Wheels In Motion Car Show and the Regional All Pontiac event we host at the Pontiac Museum, we will also be the host chapter this year for the GTOAA National Convention in Springfield. The hotel is filling up and as are the indoor parking spots for the Concours cars. So, if you have not already done so, you will want to get registered for the event and reserve your hotel rooms. We have had great response from all of you filling the worker slots for the event, with only a few slots left to fill. If you have not already signed up for a few slots, please contact Dan Jackson or Tom Oxler. Remember that if you sign up for and work 2 slots, your basic registration for the event will be refunded by GTOAA.

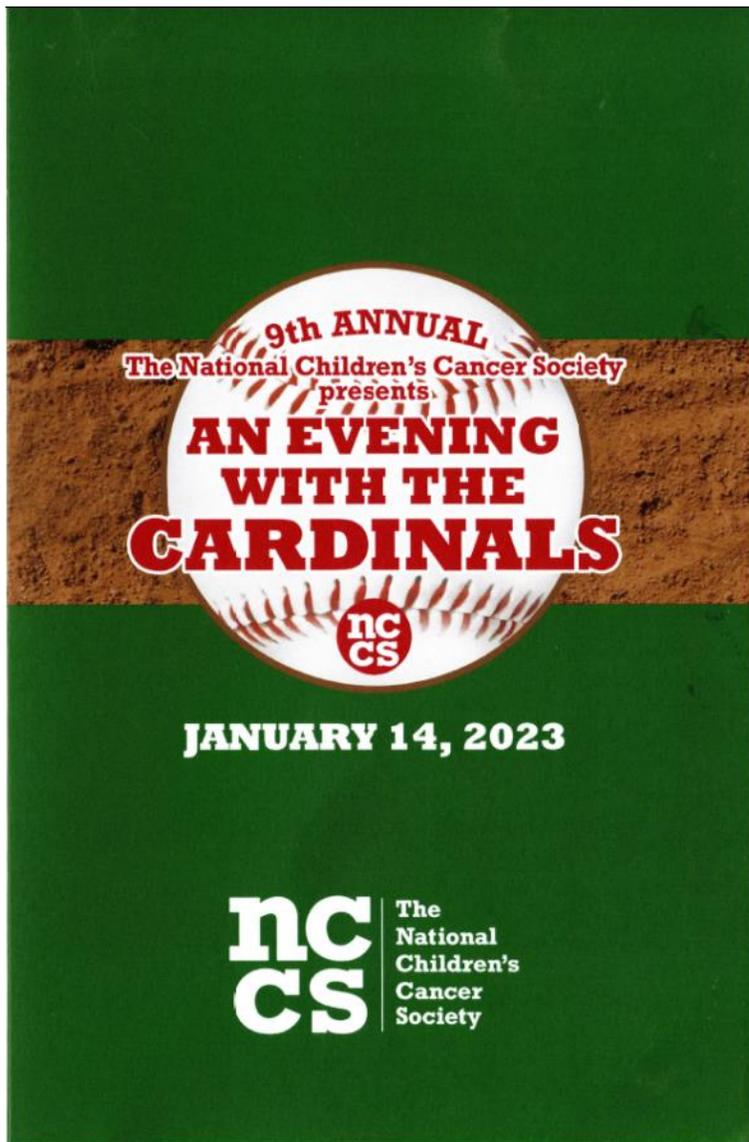

Speaking of the Wheels In Motion car show that we do every year with the Horseless Carriage Car Club and other local clubs, Paula and I along with Barb and Earl Lewis recently attended an event sponsored by the National Children's Cancer Society (NCCS). This is an annual event to recognize the groups that have supported that organization and also to raise more money for the NCCS. As I mentioned last month, Wheels In Motion has been a major contributor to NCCS for many years now. For this year, due to all of the money we raised at the event in 2022, Wheels In Motion was recognized at the event as a "Home Run Sponsor". (See program for the event on the next page) So, our efforts have been making a real difference to the NCCS and the work that they do to support children with cancer and their families.

Right now we have a lot of dates open in the calendar in the spring for some cruises or other activities. Hopefully by now the construction on Highway 79 has been completed so we will be taking another look at a cruise up to Hannibal this spring. But that is just one possibility. If anyone has other ideas for some cruise events or other activities, please let me know.

Finally, I have attached the Gateway GTO Financial Summary for 2022 on page 4. (Thanks to Will for doing a great job as usual keeping track of all of this!) For 2022 we spent just over \$1400 more than we took in. For 2023, I expect us to have a positive cash flow since we will have some additional income as a result of hosting the GTOAA convention.

See you all at our first regular meeting for 2023 at Gingham's on February 2nd!
