Immanuel Lutheran Parade

by Chris Winslow

Gateway GTO
Association

A few years ago, Earl Lewis got Gateway GTO starting participating in the annual parade at Immanuel Lutheran Church in St. Charles. Our role has been to provide cars for the parade to transport veterans and also church officials from the church over to church picnic at Blanchette Park.

For this year we had Frank and Cheryl Chapman, Jim and Shelly Schneider, and Earl Lewis. I was also there, but in the Trans Am since the GTO was down with a leaky radiator.

This year saw an increase in the number of veterans. Covid had damped the turnout in '21 and '22 but this year there a few more veterans and we had the privilege to transport 3 of them.

Like last year, we were once again able to toss candy to the folks lining the streets to see the parade. The crowds at the church and along the route were even larger than 2022 and the crowd at Blanchette Park was huge. There was some assistance on that front by mother nature as the weather was absolutely perfect for the event.

This year the Schneiders led us out driving their 66 Bonneville, followed by me in the 98 Trans Am, Frank and Cheryl in their Judge and Earl in his '67 GTO.

This is a really worthwhile event as it allows us to showcase the club while at the same time giving some of our veterans a well deserved moment in the spotlight.

The President's Scoop

By Chris Winslow

June is upon us and it is a big month. First up (after our meeting on June 1st at Gingham's) is our cruise to Hannibal. We will cruise in our GTOs from O'Fallon, MO on the "Little Dixie Highway" (Route 79) to Hannibal for lunch and afternoon activities. We will then attend a cruise on the Mark Twain Riverboat that will include dinner and dancing in the evening. The details are on the flyer included with this newsletter. Everyone that wants to go on the dinner cruise needs to make their own reservations, so please do so if you have not already. The details are on the flyer along with recommendations for a hotel if you would like to spend the night in Hannibal after the dinner cruise.

The morning after our Hannibal cruise is the annual chicken dinner at Terry and Gail's church (St. Thomas United Church of Christ on 17842 Wild Horse Creek Road) You don't want to miss that! I have included the flyer for that event in the newsletter as well.

Of course, the really big event for June is the GTOAA National Convention. By now everyone should be registered and have their rooms booked. If not please do it right away. We also still need to fill a few worker slots, so if you have not already signed up, please contact Dan Jackson to pick up a few slots. Like we did in 2017, Gateway is planning a huge indoor parking lot party for Friday evening. We are going to have live music like we did in 2017. This time around the band is going to be Captain Rat and the Blind Rivets. The theme for the party is Groovy Ballroom Bash. Of course, there is always a lot to do at the Nats. I have also included in the newsletter the latest schedule of events with all of the details.

One request at the May meeting was to set up a caravan to Springfield on Monday for the convention. With the Hen House now permanently closed, my recommendation is that we meet at the Cracker Barrel at 2001 Formosa Road in Troy Illinois (62294) at 11:00 for a late breakfast or early lunch and then plan to head to Springfield at noon.

In July the big event will be the Gateway GTO Day at the Cars and Coffee cruise in at Gateway Classic Cars in O'Fallon IL. That is on the 29th. We will want to have a really good turn out for that event since they are putting it on in our honor, so please mark your calendars for that weekend.

We have also been invited to put on a display at the Illinois State Fair in Springfield on August 19th. For that event they are looking for 10 cars. It is a Route 66 themed display, so for this one I think we will want to have mostly classic GTOs to go with the theme. If that is something you would be interested in, please let me know.

Gateway GTO Meeting Minutes

Minutes 5/4/2023

7:03 PM – Meeting Start – No new members in attendance.

Old Business

Chris Winslow talked about the Forest Park Easter Show.

Earl Lewis talked about the Family Arena Easter Show. There were over 700 cars there. He also spoke about the Wings and Wheels Fly-In show. He said it was a great time.

7:09 PM – New Business

Chris Winslow talked about the Immanuel Lutheran Parade and the Hannibal Cruise.

Chris made a quick mention on Gateway GTO dues. If you are behind on them, please send it to Will Bowers. He also gave some details on the ladies' shirts for the Nationals parking lot party, and he had suggestions for the men's attire.

Chris informed the club that the GTOAA has asked the Gateway GTO Association to co-host the 2024 Nationals with the Wichita club. They currently only have 10 active members, which (as anyone who has run one of these in the past should know) isn't nearly enough people. For helping out, we will be given a portion of the proceeds from the event. He asked those in attendance if that was acceptable, and the reception was positive.

7:17 PM – Upcoming Events

6/2-6/4 – Pontiacs at Pidgeon Forge

6/3 – Route 66 Festival in Lebanon

6/10 – Gateway GTO Cruise to Hannibal

6/11 – Chicken Dinner at St. Thomas United Church of Christ

6/27-7/1 – GTOAA Nationals in Springfield Illinois

7/29 – Gateway GTO Day at Gateway Classic Cars

Steve Hedrick talked about the Model T Swap meet held on May 7th

7:23 PM – GTOAA

Chris Winslow talked about the upcoming Nationals and possible caravans up to Springfield.

7:31 PM – Tech

Mark Melrose talked about a catastrophic engine failure in his GTO due to a broken crank shaft. The block is unsalvageable.

Chris Winslow finally got his 2023 GMC Acadia back from the shop only to find that there is a recall for his vehicle that can cause the drive shafts to drop out while driving. There is a national back order for the parts, so the Acadia is grounded until the parts come in.

7:41 PM – Club Personals

Tootie May is recovering from surgery

Kerry Friedman was diagnosed with prostate cancer. Through a blood test he caught it early in stage 1. He will begin radiation treatment soon.

Mark Melrose said that Sandra is doing well.

John Grissom gave some more details on his cruise/camp-out coming up in October.

7:54 – Motion to Adjourn by Paula Winslow, seconded by John Taylor.

50/50 of \$40 won by Jim Schneider, he gave it back to the club.

Paula Winslow won a GTO cup in a second drawing.

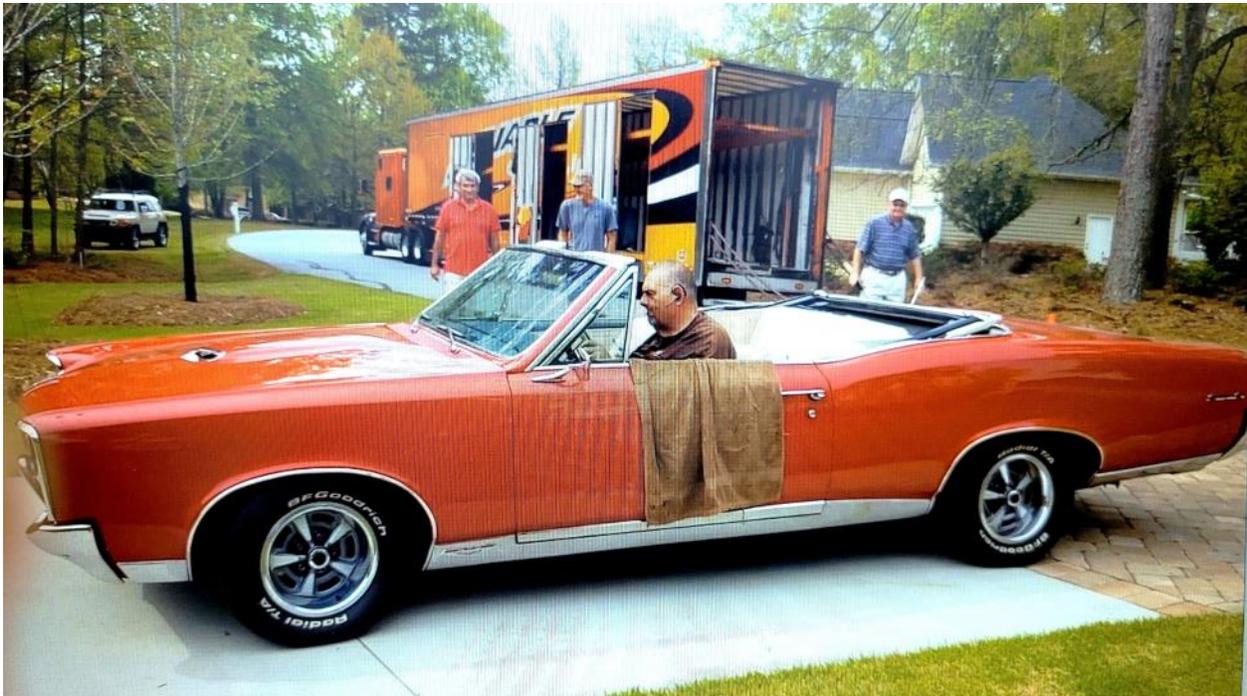

AS THE ODOMETER TURNS, WITH GERTIE THE GOAT

By Ima Roadie (aka Debbie Arzberger)

What does a Tugboat Captain do when he retires? He buys a big boat, of course, and joins a yacht club! We enjoyed a fabulous 5 years boating on the Intracoastal Waterway, and on the high seas with a group of fellow boaters (all in a line) heading to destinations in the Keys, the Bahamas, or to various Intracoastal marinas. We met and played hard with such a wonderful group of fun loving, water traveling Scalawags. Alas this too came to an end when we followed 2 of our grandchildren to North Carolina to the Asheville area. The mountains were beautiful, but we still had that wanderlust feeling and started contemplating what our next form of entertainment would be. While thinking about it a couple more years passed, and we now lived in South Carolina on Lake Greenwood with a pontoon boat. The Tugboat Captain, “Tug”, was busy going through car magazines trying to possibly find a traveling car of some sort with which we could join a car club and travel about meeting new friends and seeing new places.

Now what does a Tugboat Captain do? He buys a 1967 GTO Convertible in Colorado, sight un seen! “Gertie The Goat” arrived at our house on Lake Greenwood in a big Reliable Carrier van on April 12, 2017. The neighborhood men were all on the lookout for her arrival, and came right over to watch the unveiling, so to speak, when she made her grand entrance driving down the ramp at the stern of the van. But she wouldn’t start. The truck driver cranked and cranked – no start – Oh what a bummer! Crank ... crank ... crank ... sputter ... sputter ... cough ... cough ... SHE STARTS! Oh Boy! The mini crowd was waiting with anticipation and big smiles as they heard the sound of her revving engine inside the van. Then, slowly she appeared backing down the ramp, her white top was making a perfect contrast to her bright red body. WOW, she’s gorgeous! All gasped at her beauty! Slowly ... slowly ... inch by inch, more of her body was visible ... the mini crowd went silent. Cough ... cough ... sputter ... sputter ... she died. All in unison the mini crowd said, “Oh noooo”. Crank ... crank ... crank ... as we all hold our breath, she starts again and completes the trip across the street and into the driveway. Gee Wilkins, she’s a beauty!

This was almost a blast from the past for Tug and me. We happened to have dated in Tug's then 1965 maroon hard top GTO back in 1970. Nothing like dating a guy in a muscle car!! With the arrival of "Gertie", we now had another GTO and had come full circle, but with a convertible this time, Joy ... Oh Joy!

Buying "Gertie" has turned out to be one of the best things we have done in our 52 years of marriage (well, except for our 3 children)! Once we had a car, now we needed to find a car club to join to travel and have fun with. This is where the GTOAA came into our lives and will soon be the source of many "Gertie the Goat" adventures, as told by this trusty little old reporter, Ima Roadie!

Be on the lookout for future installments of her many back-road adventures in "As the Odometer Turns, With Gertie the Goat", By Ima Roadie.
